

VISITING PROFESSOR/SCIENTIST PROGRAMME 2018 - GUIDELINES

Department of Economics and Business Science

Application deadline: 18th January 2019 - 2:00 p.m.

The official announcement is in Italian only

Since 2006 the University of Cagliari (UniCa) has supported international education through its international Visiting Professor programme, sponsored by Regione Autonoma della Sardegna (RAS). From 2018 the Programme has enriched its organization, becoming the Visiting Professor/Scientist Programme, with the purpose of:

- providing opportunities for teaching and research activities;
- enhancing the teaching and research profile of UniCa;
- starting long-term collaborations with other Universities or Research Centres within or outside Europe.

AVAILABLE POSITIONS

In order to achieve the above-mentioned objectives, our VPS Programme 2018 will appoint professors and researchers divided into **two** different categories:

- A. Auxiliary professors or researchers, sharing a specific subject and research activities in our Master's Degree courses with a professor or researcher of UniCa: **1 long visit of 1 month.**
- B. Professors or researchers involved in teaching – including seminars - and research activities autonomously: **12 visits** of 1 month (long visits) or between 6 and 14 continuous days (short visits).

All visits must be completed **by 31st December 2019.**

VPS PROFILE

Category A: Professors or researchers from foreign Universities.

Category B: Academic scholars, including professors *emeriti*, regularly and continuously employed in foreign universities, institutions or research centres.

Candidates can't have other contracts with UniCa or with other Italian universities or research centres simultaneously with their appointment as VPS at UniCa.

Furthermore, in order to avoid cases of nepotism and conflict of interests, VPSs with a relative within the 4th degree by consanguinity (blood) or affinity (marriage or adoption) working at UniCa as Professor of the Department presenting the VPS's application, including the Rector, the General Director or a member of the University Board of Directors, will be excluded¹.

Successful VPSs will receive an e-mail with a formal communication of the selection outcomes. Within 10 days from the official notice, appointed VPSs are requested to inform by e-mail the VPS Office whether they will accept the nomination or not. Each VPS will be formally linked to a UniCa colleague as sponsor.

Non-EU citizens' visits must be planned well in advance (at least 3 months) due to the visa request procedure. For details, please check on: <https://www.unica.it/unica/protected/107165/0/def/ref/GNC107127/>

- travel expenses will be covered as follows:
 - € 600.00 (gross salary) for Visiting Professors coming from a European Country

Amounts reported (daily allowance+coverage for travel expenses) are gross incomes including taxes charged to VPSs by the Italian law:

As to cover a part of visa and residence permit costs, an additional flat-rate contribution of €110,00 will be allocated to the non-EU Professors/Researchers selected for a short visit between 9 and 14 days.

This additional contribution is to be considered an essential part of the total contribution received by the VPS and will be allocated upon paying the total contribution.

VPSs selected for a short visit will sign an occasional self-employment contract with UniCa.

The signature of the contract must coincide with the beginning of the VPS's activity at UniCa.

VPSs will not receive any further reimbursement for travel and accommodation expenses.

According to the Italian rules, UniCa does not allow VPSs to take advantage of the tax treaty to avoid double taxation. Consequently, **all VPSs' salaries will be taxed in Italy.**

VPSs can apply for reimbursement of IRPEF tax paid in Italy to the [Revenue Agency \(Agenzia delle Entrate\)](#) in Pescara through an appropriate request procedure (form D – “altri redditi”, available on the Revenue Agency webpage – section: “Modulistica fiscale internazionale”).

Upon request, at the end of the contract, UniCa can issue a certification of the grant payments received. VPSs receiving incomes for their self-employed work activity, subject to fiscal deductions and contributions, will receive the **CU Form** (*Certificazione Unica*). As withholding agent, UniCa will certify the amounts paid and deductions made according to the Italian fiscal system.

PAYMENTS

VPSs will receive their payment at the end of the visit, after submitting a final report about the activities carried out at UniCa (countersigned by their sponsor colleague).

Advanced payments are not allowed.

Payments are credited to the VPSs' bank account through an international bank wire transfer.

Under exceptional and proven circumstances, for VPSs employees of private Universities or Governmental Organizations (including research agencies and institutions) not allowing their employees to receive direct payments by other Institutions, UniCa may transfer payments directly to their organizations, under a specific agreement or after the submission of an invoice (considering VAT, if due) or a request for an equivalent payment.

Any possible change to their initial stay plan should be agreed with the hosting Department and the VPS Office. VPSs are invited to attend the cultural and scientific activities organized at UniCa during their stay.
