## iF DESIGN TALENT AWARD 2017\_02

The second round of the iF DESIGN TALENT AWARD is open for registration, with four new and interesting topics for your submissions. We are looking for the best ideas from students and young professionals around the world.

Explore our four current award themes and put your design skills to the test. With luck, you could win a share of EUR 20,000!

Submit your product or communication concept, project, application or service from now until 20 June.

Sign up until  
20 June 2017

## Topics

---

1. Smart Homes, Connected Cities – Visions for Cities and Citizens
  2. Public Value, Life & Humanity – Living Together
  3. Micro Apartments – Maximizing Small Space
  4. Future Healthcare – Using Technology to Keep Us Healthier
-

## Protect your rights

Students and recent graduates often find it difficult to protect their designs against copyright infringements. Therefore, we recommend the following institutions that can help you with protecting your designs, depending on country of origin.

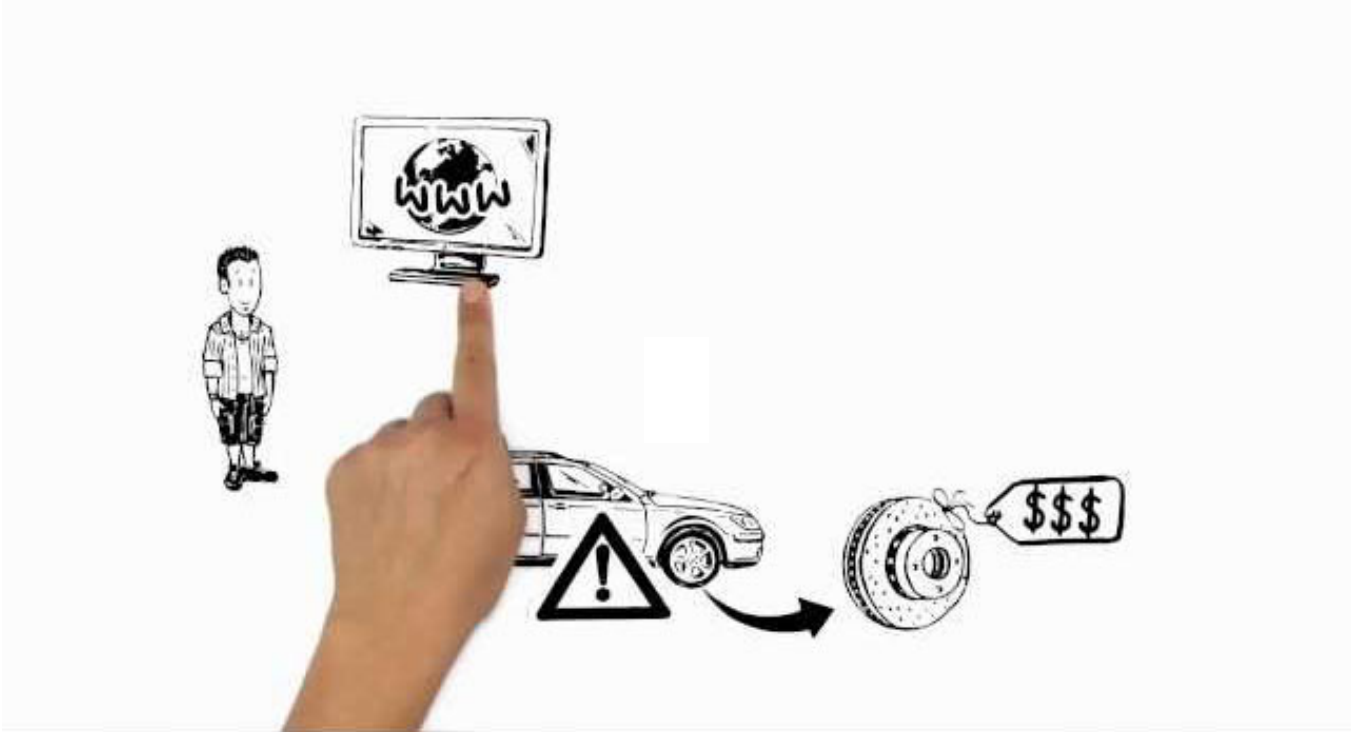

---

Protection in Europe

Protection in China

Protection in Taiwan
