WHAT IS EDUC ?

European Digital UniverCity:

- An Alliance of 8 European universities
- Labeled « European University » and funded by the European Commission
- Cross-disciplinary
- Based on pedagogical and digital innovations
- Dedicated to foster student mobility

THE EDUC GAP SEMESTER: PRINCIPLES

What is it ?

- A new mobility of 1 semester in order to study other subjects than your initial training.
- An interruption in your studies at your home university. You will be treated as an exchange student at the receiving university. But this mobility, unlike an Erasmus+ mobility, does not count towards your degree (*except for MU students). It is an additional semester.
- Some specific rules might apply at your university.
- Open to all EDUC students at Bachelor or Master level.
- Students must select and attend a number of courses **equivalent** to 30 ECTS credits for one semester.

THE EDUC GAP SEMESTER: PRINCIPLES

What is the added value?

- Disciplinary openness: possibility to study one or several disciplines, different from your diploma
- The opportunity to personalise your profile and differentiate yourself to recruiters
- A linguistic immersion: to learn and improve your skills in French, Italian, Hungarian, Czech, Norwegian, Spanish but also in other languages
- A cultural openness to discover another country in Europe
- The possibility to develop new "soft skills" to differentiate yourself on the job market
- Make friends all over Europe ... !

THE EDUC GAP SEMESTER: APPLICATION

- **EDUC Gap semester: When and how to apply?**

The application campaign is now open to do a mobility during the academic year 2023-2024

- **Deadline for application:** different for each university

At **Masaryk University**: October 30th

At **University of Pécs**: tbd

At **University of Rennes**: October 25th

At **University of Cagliari**: tbd

- **Documents for the application:**

2. A cover letter written in English
3. A proof of language skills in the teaching language (B2 level)

EDUC GAP SEMESTER: SELECTION AND SCHOLARSHIP

The mobility scholarship

- Fixed amount per month depending on your home university/destination (pro rata of the actual presence over the study period) + travel grant : fixed amount depending on your home university
