TEACHING ACTIVITY

Courses held in Degree Courses of the University of Cagliari

- 2020 – TODAY Teaching of Chemistry and Preparatory Biochemistry (6 CFU, 60 hours) for the Degree Courses in Medicine and Surgery (even channel) and Dentistry, Faculty of Medicine and Surgery;
- 2021 - TODAY Teaching of the module of Enzymology (5 CFU) in the integrated course of Industrial Chemistry and Enzymology for the course of Bachelor's degree in Industrial and Environmental Biotechnology, Faculty of Biology and Pharmacy;
- 2025 Teaching of Biochemistry (2 CFU), module of the Integrated Course of Basic Skills for the Degree Courses in Rehabilitation Psychiatric Techniques and Physiotherapy, Faculty of Medicine and Surgery;
- 2021 - 2024 Teaching of Biochemistry (2 CFU), module of the Integrated Course of Basic Skills for the Degree Courses in Professional Education and Physiotherapy, Faculty of Medicine and Surgery;
- 1991 - 2005, 2007 - 2013, and 2018 - 2020 Teaching of Biological Chemistry (then Biochemistry), 6 CFU, for the Degree Course (then Bachelor's Degree) in Chemistry (Class of Degrees in Chemistry), Faculty of Mathematical, Physical and Natural Sciences;
- 1996 - 2003 Teaching of Enzymology (complementary) for the Degree Course in Biological Sciences, Faculty of Sciences M.F.N.;
- 1997 - 2010 Teaching of Biomaterials, module of the integrated course of Chemistry of Materials, 2 CFU, for the University Diploma (then of Bachelor's Degree) in Materials Science, (Class of Degrees in Chemistry), Faculty of Science M.F.N.;
- 1998 Co-teaching in the Laboratory of Experimental Biology 1, Degree Course in Biological Sciences, Faculty of Sciences M.F.N.;
- 1999 - 2012 (Oristano) Laboratory Teaching of Biochemistry, 4 CFU, for the University Diploma in Agro-industrial Biotechnology - then Bachelor's Degree in Industrial Biotechnology, 6 CFU (Class of Degrees in Biotechnology), Faculty of Science M.F.N., then Faculty of Biology and Pharmacy;
- 2013 - 2021 Institutional assignment as a Guarantor (Necessary Teacher) - teaching of Biochemistry (6 CFU) for the same course of Bachelor's degree, Faculty of Biology and Pharmacy;
- 2001 - 2009 Teaching of Biochemistry (institutional appointment) for the Bachelor's Degree Course in Applied Bioecology (Class of Degrees in Biology), Faculty of M.F.N Sciences., from 2002 to 2013 on loan with the same course for the Bachelor's Degree Course in Chemistry;
- 2005 - 2015 Enzymology and Enzymology Laboratory (7 CFU) in the Master's Degree in Experimental and Applied Biology, and later in the module of Enzymology (6 CFU) in the Integrated Course of Metabolic Biochemistry for the Master's Degree in Cellular and Molecular Biology, Faculty of B.F.;
- 2016 - 2018 Teaching of Biochemistry (8 CFU) for the Degree Course in Biology, Faculty of B.F.
- 2019 - 2020 Teaching of Biochemistry (2 CFU), module of the Integrated Course of Basic Skills for the Degree Courses in Speech Therapy and Physiotherapy, Faculty of Medicine and Surgery;
- 1994 - 2000 Cycles of theoretical-practical lessons for the annual specialization course "Biochemical biotechnologies related to the modification and immobilization of biomolecules" directed by Prof. A. Rinaldi and headed by the Faculty of M.C.;
- 1997 - 2001 Teaching of Chemical-Physical and Chemical-Clinical Analytical Methods for the School of Specialization in Toxicology, Faculty of Pharmacy;
- 1985 - 1988 Teaching of Biochemistry in the School for Special Purposes for Laboratory Technicians, Faculty of Medicine and Surgery.
- 1983 - 1984 Teaching of Biochemistry in the School of Retraining for Professional Nurses of the U.S.L. 21.
- 1982 Chemistry and Biochemistry courses in the EEC training courses for professional nurses, organized by the U.S.L. 21.

Participation in the teaching staff in the context of research doctorates accredited by the Ministry of Education:

- Participation in the PhD board " Molecular and translational medicine"; Proposer: University of Cagliari. Cycles 30 to 35, AA from 2014-15 to 2019-20;
- Participation in the PhD board "Biomedical , Nutritional, and Metabolic Sciences", Proponent: University of Cagliari. Cycle 29, AY 2013-2014;
- Participation in the PhD board "Development and Experimentation of Anti-Infective Drugs", Proponent: University of Cagliari. Cycle 28, AY 2012-2013
- Participation in the PhD board "Biology and Biochemistry of Man and the Environment", Proponent: University of Cagliari. Cycles from 23 to 27, AA from 2007-2008 to 2019-2020.

Activities and professional qualifications related to GSD 05/BIOS-07 (PROFILE SSD BIOS-07/A ex BIO/10)

Since 02/03/2020 he has held the position of Full Professor at the University of Cagliari in the SSD BIOS-07/A Biochemistry field.

Since 2020 Associate Professor for the SSD BIO/10

Since 1987 Assistant Professor for SSD BIO/10

Since 1984 Assistant Professor for RC 68 (E05/A) Biochemistry
