Personal Information

Name and Surname	Maurizio Nicola D'Alterio
Address	-----
Mobile phone	-----
Fax	
E-mail	dr.mauriziodalterio@gmail.com
Nationality	Italiana
Date of birth	-----
Sex	M
CF	-----

Qualifications

- Degree in Medicine and Surgery, achieved on 23/10/2012 at the University of Cagliari (Italy), with the final mark 110/110 cum laude.
- Specialization in Gynecology and Obstetrics, achieved on 09/08/2018 at the University of Cagliari (Italy), with the final mark 50/50 cum laude.
- Research scholarship titled "studio pilota sugli aspetti dell'endometriosi infiltrante" from October 2018 to October 2019 at Division of Gynecology and Obstetrics, Department of Surgical Sciences, University of Cagliari (Italy).
- From October 2019 to October 2022, Fixed-term Researcher at Department of Surgical Sciences, University of Cagliari (Italy) and Consultant at Policlinico Duilio Casula Hospital, Division of Obstetrics and Gynecology, Monserrato (Italy). Head of the Endometriosis and Chronic Pelvic Pain Clinic of the UOC Obstetrics and Gynecological Clinic of the AOU of Cagliari directed by Prof. Stefano Angioni. Reference center in Sardinia with about 500 patients/year.
- From May 2024 – Present Researcher Tenure Track (RTT) at the Department of Surgical Sciences, University of Cagliari, with an agreement as Medical Doctor the University Hospital (AOU) of Cagliari, for 22 hours per week.

Education and Training

- During his university career he attended, as student internship:

Department of Gynecological and Obstetric sciences and reproductive Medicine at the Endocrinology and Menopause Center under the supervision of Prof. Anna Maria Paoletti.

- He developed his thesis "Drospirenone ed estradiolo valerato: quali vantaggi per la sindrome peri-post menopausale" and earned degree in medicine and surgery during the academic year 2011/2012, with the final score of 110/110 cum laude.
- From November 2012 to August 2013 he attended a clinical/surgical training in the Department of Gynecological and Obstetric Sciences and Reproductive Medicine (University of Cagliari - Italy).
- On February 2012, he qualified to practice as a medical doctor in the Italian National Health System and since 21th February 2012 he is member of professional register of Medical Doctors in Cagliari (Registration Number 9656).
- In August 2013 he became Resident Medical Doctor of the Division of Gynecology and Obstetrics, Maternal and Child Department, University of Cagliari – Italy.
- From August 2013 he developed an intensive training on endometriosis diagnosis, medical and surgical treatment, and minimal invasive surgery under the supervision of Prof Stefano Angioni at the Division of Obstetrics and Gynecology, University of Cagliari –Italy.
- From June 2017 to June 2018 he attended as Visiting M.D. the Department of Obstetrics and Gynecology of the Santa Chiara Hospital (Trento – Italy).
- On 9 August 2018, he discussed his thesis and became specialist in Gynecology and Obstetrics (votation: 50/50 cum laude).

Languages

- Italian (native) and English
English language certification CEFR (QCER) livello B2 in data 18/03/2019

Computer skills

- Computer skills: Good knowledge of computer technology and its applications in science (use of the Internet, electronic databases, Word, Excel, Power Point).

Work activities

- From August 2013 to August 2018, residency in Obstetrics and Gynecology at the University of Cagliari (Cagliari, Italy).
- From March 2012 to October 2019, Emergency Medical Service at ATS Sardegna (Cagliari, Italy).
- From October 2019 to October 2022 Fixed-term Researcher at Department of Surgical Sciences, University of Cagliari (Italy) and Consultant at Policlinico Duilio Casula Hospital,

Division of Obstetrics and Gynecology, Monserrato (Italy).

- From May 2024 – Present Researcher Tenure Track (RTT) at the Department of Surgical Sciences, University of Cagliari, with an agreement as Medical Doctor the University Hospital (AOU) of Cagliari, for 22 hours per week.

-

Member of the following Scientific Societies

- Italian Society of Gynaecological Endoscopy (SEGI and SEGI young).
- International Society of Gynecological Endocrinology (ISGE).
- European Society for Gynaecological Endoscopy (ESGE).
- Scuola Italiana di Chirurgia Mini Invasiva Ginecologica (SICMIG).

Congresses

1. National Congress: "L'Evolutione Ventennale delle Scienze Ginecologiche ed Ostetriche" (Cagliari 23-26 June 2010).
2. "V Course ESGE AGUI Workshop teorico pratico di chirurgia MINI- invasiva in Ginecologia" (Cagliari 5-7 December 2011).
3. "Quarte giornate sarde di Scienze Ostetriche e Ginecologiche" (Alghero 15-18 May 2013)
4. "III Giornate di Chirurgia Ginecologica Laparoscopica Live Surgery- Congresso Regionale SEGI" (Carbonia 4-5 October 2013).
5. "Congresso Straordinario AGUI III Congresso Nazionale AGIF". (Rome 7-8 November 2013).
6. Course ECM "Ormoni, Salute e Sessualità" (Monserrato 15 November 2013).
7. "Corso Pratico di Scienze Ginecologiche ed Ostetriche" (Cagliari 10-12 July 2014).
8. "89° Congresso Nazionale SIGO. 54° Congresso Nazionale AOGOI. 21° Congresso Nazionale AGUI" (Cagliari 28 September-1 October 2014).
9. "Meeting Annuale AGUI dei Ginecologi in Formazione" (Rome 4-5 November 2014).
10. 8° Course ESGE-SEGI (Cagliari 22-24 January 2015).
11. "Giornate di Perfezionamento Clinico in Ostetricia e Ginecologia" (Milan 12-13 March 2015).
12. "Quinte giornate sarde di Scienze Ostetriche e Ginecologiche" (Alghero 21-23 May 2015).
13. "Aspetti Multidisciplinari del Dolore Addominale" (Cagliari 6 June 2015).
14. Course "Novità per la PCOS" (Cagliari 7 July 2015).
15. ESGE 24th Annual Congress: ESGE BUILDING BRIDGES (Budapest, Hungary 7-10 October 2015). **Speaker as Best Selected Abstract** with Title "A different approach in high risk patients for ovarian cancer: single-port VS conventional multi-port access in prophylactic

- laparoscopic bilateral salpingo-oophorectomy (BSO). Comparison of surgical outcomes”
16. ISGE 25th Annual Congress & 4th Croatian Congress. (Opatija 25-28 May 2016). **Speaker as Free communications** “Pregnancy complications after hysteroscopic metroplasty: a ten years case-control study”
 17. Advances in Fetal Medicine Course, London. The Fetal Medicine Foudation. (London 3-4 December 2016).
 18. “1th Congresso Nazionale Video-Chirurgia Ginecologica” (Cagliari 5-7 December 2016). **Speaker as Video presentation:** Endometriosi Infiltrante Multifocale.
 19. “Corso teorico-pratico di chirurgia laparoscopica avanzata: chirurgia radicale e nerve-sparing nell’endometriosi profonda” (Negrar 16-17 January 2017).
 20. “Corso Menopausa e salute della donna e della coppia” (Cagliari 24 March 2017).
 21. “Seste Giornate Sarde di Scienza Ostetriche e Ginecologiche” (Alghero 18-20 May 2017).
 22. Course SICMIG. “7° Corso teorico-pratico Approccio endoscopico alla patologia uterina” (isteroscopy and laparoscopy (Alessandria 10-12 May 2017).
 23. Laparoscopy surgery course “SUTURE IN CHIRURGIA LAPAROSCOPICA” (Cagliari 31 May -1 June 2017).
 24. “Master in sutura laparoscopica” (Negrar 26-27 June 2017).
 25. “Seminario PERCORSO NASCITA. Percorsi per il basso rischio ostetrico nei punti nascita di Il livello”. (Trento 16 December /2017).
 26. “XIII Congresso Nazionale SEGI THE ITALIAN JOB” (Avellino 13-16 June 2018).
 27. “Corso pregressuale di Chirurgia Mini-Invasiva. I disturbi del pavimento pelvico approccio vaginale o laparoscopico?” (Cagliari 11 July 2018). **Surgeon and speaker** in the live surgery.
 28. National Congress “TRENT’ANNI DI GINECOLOGIA E OSTETRICIA”. (Cagliari 12-14 July 2018).
 29. “8 meeting annuale SICMIG” (Naples 26-29 September 2018).
 30. “NUTRIMET-ISS workshop “Nutritional Metabolomics” (Sardegna Ricerche Pula 1-5 October 2018).
 31. ESGE 27th Annual Congress : Holistic approach towards Women’s Health- Quality Assurance and Innovation (Vienna 7-10 October 2018).
 32. Meeting ETIC (Cagliari 26-27 October 2018).
 33. **Surgeon in the Live Surgery** “High Light in chirurgia uro-ginecologica: la scelta chirurgica nei difetti del pavimento pelvico Masterclass AIUG IV edizione”. (Conegliano Veneto 13-15 March 2019).
 34. “Kick off meeting MYOLISIS” (Torino 25-26 March 2019).
 35. 10th International Charité Mayo Conference (Berlin 3-6 April 2019)
 36. **Surgeon in the Live Surgery** “Diode Laser Treatment of Endometrioma” 10th of May 2019 (International Congress AAGL-SEGI 2019 Pisa, Siena e Firenze 7-11th May 2019)
 37. Masterclass in colo-rectal endometriosis. Clinique Tivoli, Bordeaux. Prof. Horace Roman. 17-19 June 2019
 38. “SICMIG 9th Meeting Annuale. Faculty. **Speaker** titolo “sospensione laterale laparoscopica: alternativa alla sacropessia?”. (Cagliari 26-28 September 2019).

39. ESGE Congress 28th Annual Congress Thessaloniki. (Salonico 7-10 October 2019).
40. SEUD Masterclass ENDOMETRIOSIS: The 2019 state of the art. (Paris 6-7 December 2019).
41. "Corso pratico di chirurgia laparoscopica avanzata: chirurgia dell'endometriosi profonda" (Negar di Valpolicella, Verona 27-28 January 2020).
42. **Speaker** at "Sharper Night Notte Europea dei ricercatori 2020 with title "Interventi nutrizionali per l'endometriosi" (27 November 2020).
43. **Scientific committee and Speaker** in the Webinar (FAD Sincrona) "Dalla diagnosi alla terapia medica e chirurgica dei sanguinamenti genitali anomali (21-22 December 2020).
44. Webinar Controversies in Deep Endometriosis:from Diagnosis to Surgery, an Interdisciplinary Challenge. ESGE Academy (30 January 2021).
45. Webinar "vNOTES: Modernizing Vaginal Surgery" (18 February 2021).
46. **Speaker** at Endometriosis 2021. The world is on air. Live debates for e-posters & videos. Anti-mullerian Title: "Hormone changes after laparoscopic excision of Endometrioma." (10-12 May 2021)
47. **Speaker.** Virtual Congress: Convegno conclusivo del progetto Ambiente, programmazione epigenetica fetale e prevenzione delle patologie croniche, finanziato dal Ministero della Salute, CCM – Centro nazionale per la prevenzione e il controllo delle malattie. Title: "Ambiente ed effetti sulla placenta. Le evidenze della letteratura." (25 June 2021).
48. **Surgeon in Live surgery:** Masterclass la scelta chirurgica nei difetti del pavimento pelvico. 5 edizione. LLS secondo Dubuisson. (Conegliano Veneto 7-9 July 2021).
49. 10 annual meeting SICMIG. (Florence 7-9 September 2021).
50. **Speaker.** ESGE 30th Annual congress. Free communication: Recurrence rate and fertility outcome after diode laser treatment of deep endometriosis: a 3-year follow-up study. (Rome 3-5 October 2021).
51. **Scientific Committee and speaker** at the Congress "Characterizaion of genomic and metabolomics signatures of endometriosis." Title: "il progetto di ricerca." (Cittadella Universitaria di Monserrato 8 October 2021).
52. **Speaker.** AOGOI Congress "la tutela della salute della donna in periodo di pandemia" Title. Età fertile e dolore pelvico cronico: counseling e percorsi diagnostici (Obia 12 November 2021)
53. **Speaker.** First meeting expert academy in gynecological laser endoscopy. Title: Prospettive future e Protocolli di ricerca in laparoscopia. (Milano 9 December 2021)
54. **Speaker and Scientific Committee.** Update sulle terapie ormonali in ginecologia. Title: Nuove formule contraccettive. (Cagliari 3 December 2021).
55. **Speaker, Surgeon in live surgery and Scientiifc Committee.** Workshop for the Laser Uses in Hysteroscopy & Laparoscopy with International Participation. title: ELLA: Indications and advantages of laser use in laser Laparoscopic Operations - Tips and Ticks. (Thessaloniki 5 February).
56. **Speaker, Surgeon in live surgery.** Workshop for the Laser Uses in Hysteroscopy & Laparoscopy with International Participation. Title Hysteroscopy. (Riga, Latvia 18-19 March 2022)
57. Teoric practice couse "Office hysteroscopy and resectoscopy academy" Intensive 3 days

course. (Assisi 8-10 April 2022).

58. **Speaker, Surgeon in live surgery** at Hungarian Congress on hysteroscopy (Debrecen 29-30 April 2022)
59. **Oral communication** at SEUD congress 2022. 8th congress of the society of endometriosis and uterine disorders. Metabolic alterations in women with severe endometriosis: an help for the discovery of new biomarkers?. (Athens 18-21 May 2022).
60. **Speaker.** Congress: Impatto della gravidanza sul sistema immunitario. Attualità e prospettive nell'ambito della sclerosi multipla. Title: Prospettive future: possibili biomarkers per gestione della gravidanza. (Cagliari 10 Giugno 2022).
61. **Poster presentation.** Metabolic alterations in women with severe endometriosis: an help for the discovery of new biomarkers? 6th European Endometriosis congress (Bordeaux 16-17 Giugno 2022)
62. **Poster presentation.** Assessment of ovarian reserve after ovarian endometrioma diode laser vaporization: a pilot study. 6th European Endometriosis congress (Bordeaux 16-17 June 2022)
63. **Speaker.** Congress 2° Corso Update sulle Terapie Ormonali in Ginecologia. Title Novità in contraccezione orale (Cagliari 16 September 2022)
64. **Speaker.** Congress AIUG SASSARI UroGyn Day Title "Trattamento laparoscopico del prolasso genitale" (Sassari 22-23 September 2022)
65. **Speaker.** International Symposium The laser in Gynecology. Title "Laser applications in outpatient hysteroscopy, benefits for the hospital and the patient" (Lisbon, Portugal 03 October 2022)
66. **Speaker.** Congress: L'esperto risponde: la contraccezione e le sue applicazioni. Title: alleanza tra contraccezione e metabolismo: norgestimato e etinilestradiolo. (Cagliari 07 October 2022). Relatore. International Symposium The laser in Gynecology. Relazione Laser applications in hysteroscopy.
67. **Speaker.** Webinar It's time for Laser in Gynecology International Webinar in Gynecology. Relatore. Webinar ELLA & LaEvita training for the sales forces. (Webinar Biolitec 29 Novembre 2023)
68. **Speaker and Live surgery.** Azerbaijan Congress (9-11May 2024)

Reviewer for the following Journals

- Gynecological Surgery
- International Journal of Environmental Research and Public Health
- Journal of Clinical Medicine
- Clinical and Experimental Obstetrics & Gynecology
- International Journal of Fertility and Sterility
- Journal of Pediatric and Neonatal Individualized Medicine
- Open Medicine
- **Associate Editor** for BMC women's health
- **Associate Editor** for International Journal of Endocrinology
- Scientific Reports
- Rater for McMaster PLUS

Teaching activities

Teacher at the Faculty of Obstetrics, Nursing Sciences (Cagliari and Nuoro – Italy) and Physiotherapy at University of Cagliari – Italy

- October 2020: "Patologia ginecologica benigna e maligna" 8 hours. Faculty of Obstetrics Sciences, University of Cagliari, Cagliari – Italy
- March 2021: "Ginecologia ed Ostetricia" 8 hours. Faculty of Nursing Sciences, University of Cagliari, Cagliari – Italy.
- March 2021: "Ginecologia ed Ostetricia" 8 hours. Faculty of Nursing Sciences, University

of Cagliari, Nuoro – Italy.

- March 2021: “Ginecologia” Corso integrato di Disabilità Chirurgiche 8 hours . Faculty of Physiotherapy at University of Cagliari, Cagliari –Italy
- March 2021, "Cenni di chirurgia vaginale e anatomia chirurgica" 2 hours, for the students of the 4th year of the Obstetrics and Gynecology Residency school at the University of Cagliari.
- October 2021: “Patologia ginecologica benigna e maligna” 8 hours. Faculty of Obstetrics Sciences, University of Cagliari, Cagliari – Italy
