Old system degree in Pedagogy (110/110) University of Cagliari and Master's Degree in Sociology (110 cum laude) University of Pisa (II level degrees)

From 1985 to 1989 she worked as a nursery school teacher at the private and public nursery school Esmas in the province of Cagliari. She will resume teaching activities at state primary schools in the years 2007-2009

From 1994 to 2001 she worked as an Educator/Pedagogist at the Social Services of Municipal Bodies in the province of Cagliari. From 1997 to 2010 he was a research collaborator in various social and health fields (pet therapy, immigration, torture, mental health, maternal and child health, nutritional education, school, social diseases with health relevance, Roma populations, health and social epidemiology ...) at Local, National and International level at Universities, ASL and IRCCS (including the Institut de l'Humanitaire, Paris; and the IFO Istituto Dermatologico San Gallicano, Rome IRCCS).

From 2001 to 2004 he was a research contract at the Department of Hygiene and Public Health, University of Cagliari.

In the two-year period 2005-2007 he was a teaching manager at the Department of Physics and the Department of Political Sciences, University of Pisa.

Since 2008, he has been a contract university lecturer (where he still practices) at the University of Cagliari, Faculty of Medicine and Surgery, covering teaching in the Pedagogical and Sociological area in first level degree courses of the health professions (Nursing, Obstetrics, Physiotherapy, Speech Therapy, Psychiatric Rehabilitation Technicians, Professional Educator, Motor Sciences) and second level (Nursing and Obstetrics, Preventive and Adapted Motor Activities - APA-) and Faculty of Humanities in Master's Degree courses (Psychology).

Since 2011, he has also held contract university teaching positions in General Pedagogy and Special Pedagogy, Sociology and Pedagogy in Motor Activities at the Faculty of Medicine and Surgery, Three-year degree course in Motor Sciences and Specialist degree course in Rehabilitation Sciences of the Health Professions, University of Pisa. Since 2016 she has been a School Pedagogist in Institutes of all levels in the metropolitan area of Cagliari and in the province of South Sardinia and Cagliari, Iscol@ project and Progressi project of the Sardinia Region against school dropout.

She has numerous scientific and popular publications in Italian and French, as an author and co-author and editor in magazines and monographs, the latest of which was published in October 2024 (NOR editions) on issues related to Special Educational Needs.

Participation as a speaker at national and international conferences/conferences.

Her main research interests are aimed at promoting health at different latitudes and social dimensions. She is currently carrying out studies on the literary, artistic and sociological front, specifically on the jurist writer Salvatore Satta, Sport, legends and fairy tales, and art.

She also cultivates passions in the field of literature and art, with particular dedication to production for children.
