Management of multidisciplinary work groups, problem solving, management of dynamics in personal and professional communication

07/2011 **Maturity Technical Surveyor**  
 State Technical Institute for Surveyors 'Bacareda', Cagliari  
 Construction Techniques, Quantity Surveying, Law

05/08/1983 **Medical Radiology Technician Diploma**  
 U.S.L. 21 - CAGLIARI - Scuola per Tecnici di Radiologia Medica

## PERSONAL SKILLS

Mother tongue	Italian			
Other languages	LISTENING		READING	
	Listening	Reading	Interaction	Spoken production
francese	C1	C2	C1	C1
inglese	B2	B2	B1	B2

**Communication skills** Good interpersonal, communication and bargaining skills acquired from many years' experience as Provincial Secretary of the Cagliari UIL-FPL Health Sector and continued in the context of the working relationship as well as in teaching and coordination practices within the University of Cagliari's degree course in TSRM.

The continuous training course adopted after qualifying as a TSRM contributed to consolidating natural communicative propensities, emphasising skills in patient relations.

**Organisational and management skills** Leadership, Team-Leading and Team Building (currently responsible for a team of 150 people)  
 Good skills in the management of complex healthcare structures (Budgeting, Administrative and Accounting)  
 Good organisational and healthcare management skills  
 Good human and material resource management skills  
 Participation in the continuous training course (CME) called 'Hippocrates Project'.

**Professional skills** Good mastery of the management and sizing processes of multi-professional and instrumental macro and micro structural human resources  
 Good mastery in the management of radiology and diagnostic imaging equipment (fixed and mobile conventional diagnostic equipment, Computed Tomographs, Magnetic Resonance Tomographs, Multidisciplinary Ultrasound)  
 Good command of HIS/RIS/PACS systems  
 Since 1983, he has participated, as a trainer/teacher, in numerous conferences and refresher courses (also residential), covering all professional and technical topics.  
 The professional educational debt (CME), since its establishment, has been largely fulfilled.

## Digital competences

SELF-ASSESSMENT				
Information processing	Communication	Content Creation	Security	Problem solving
Advanced user	Advanced user	Autonomous user	Autonomous user	Advanced user

Excellent mastery of all components of the Office package (Word, Power Point, Excel,

Visio, etc.) and Open Source applications  
Excellent mastery of operating systems DOS, Windows and IOSx  
Good command of the Open Source environment (LINUX, etc.)  
Good command of computer networks and image and health information management systems (HIS, RIS, PACS)
