PERSONAL INFORMATION

Name:

Luca Pilloni

Position:

Univesity Researcher of Pathology – University of Cagliari
Director Pathology Resident Program, Department of Medical Sciences and Public Health,
University of Cagliari
Consultant Pathologist, University Hospital San Giovanni di Dio” University of Cagliari

BRIEF DESCRIPTION

Luca Pilloni, graduated at the Medical School of the Univeristy of Genova and specialized in pathology at the Medical School of the Univeristy of Cagliari (Italy), he works at the University Hospital of Cagliari, where he is involved in routine diagnosis, in didactic programs and in research projects. He is interested in topics as dermopathology pathology, ocular and soft tissue pathology.

WORK EXPERIENCE

1991-1994 Continuing care service (former night and holiday medical guard) at the USL RAS

1991.1994 Tax doctor at INPS

1992-1993 Manager of the Physiotherapy Centre in Pula

1994-1998 Intern Doctor at the Institute of Pathology, University of Cagliari

1998-2001 Manager of the field of histology and cytodiagnostics at the laboratory of clinical chemical pathology in Quartu Sant'Elena

1999-2001 Manager of the histology and cytodiagnostics department at Valdes analysis laboratory

2001-2002 Doctor of Pathology PO SIRAI ASL Carbonia

2002-2025 Researcher in Pathology at the University of Cagliari

ACCADEMIC ACTIVITY

Professor of Pathology of the Graduate course in Nursing, University of Cagliari

Professor of Pathology of the Graduate Course in Biomedical Laboratory Techniques University of Cagliari

Professor at the Graduate School of Pathology, School of Dermatology University of Cagliari, with the following assignments:

- Inflammatory and neoplastic pathology of the skin and soft tissues.

Teaching activity with lectures in the course of Nursing Sciences (aa 2002- 2025)

EDUCATION

1991 Degree in Medicine and Surgery – University of Cagliari

1998 Residency Program in Pathology – University of Cagliari
