

## **RESEARCHER UNIQUE IDENTIFIER(S):**

**Orcid:** 0000-0002-8424-6037; **Research ID:** AAB-7750-2022; **Scopus ID:** 55982479700

## **EDUCATION**

2015-2018. PhD; PhD in Neuroscience, Department of Biomedical Sciences, University of Sassari, Sassari, Italy. PhD tutor: Prof. Franca Deriu

2014-2015. Msc; Neurodiagnostic techniques, University of Ferrara, Ferrara, Italy

2009-2010. Bsc; Neurophysiopathology techniques, University of Sassari, Sassari, Italy

## **CURRENT POSITION**

01/11/2023-now. Assistant Professor in Physiology (Ricercatore a tempo determinato lettera, b) Department of Biomedical Sciences, University of Sassari, Sassari, Italy.

## **PREVIOUS POSITIONS**

15/01/2021-31/10/2023. Research assistant (Ricercatore a tempo determinato lettera, a); Department of Biomedical Sciences, University of Sassari, Sassari, Italy.

05/11/2018-31/08/2020. Post-doc in Neuroscience; Department of Biomedical Sciences, University of Sassari, Sassari, Italy.

2011-2015. Scholarship in Neuroscience; Department of Biomedical Sciences, University of Sassari, Sassari, Italy.

## **AWARDS**

2023-William Cobb Young Investigator Paper Award for Clinical Neurophysiology granted by the International Federation of Clinical Neurophysiology and Clinical Neurophysiology Journal, Elsevier.

## **SUPERVISION OF GRADUATE STUDENTS AND POSTDOCTORAL FELLOWS**

2019-2025. Co-supervisor of five graduate students at the Medicine faculty, University of Sassari, Sassari, Italy.

2015-2023. Supervisor of three graduate students at the Psychology faculty, University of Sassari, Sassari, Italy.

2022-2023. Supervisor of one graduate student at the Neurophysiopathology techniques faculty, University of Cagliari, Cagliari, Italy.

2021-2025. Co-supervisor of two PhD student in Neuroscience at the Department of Biomedical Sciences, University of Sassari, Sassari, Italy.

## **TEACHING ACTIVITIES:**

2023-2024- Lecturer, Physiology, Pharmacy graduation course, University of Sassari, Sassari, Italy.

2023-2024- Lecturer, Physiology, Industrial Engineer graduation course, University of Sassari, Sassari, Italy.

2021-2023- Lecturer, Physiology, Dentistry School, University of Sassari, Sassari, Italy.

2021-2023- Lecturer, Physiology, Speech therapy graduation course, University of Sassari, Sassari, Italy.

2021-2023- Lecturer, Neurophysiology, Speech therapy, University of Sassari, Sassari, Italy.

2022-2023- Lecturer, Neurophysiology, Psychology graduation course, University of Sassari, Sassari, Italy.

## **INSTITUTIONAL RESPONSIBILITIES**

2019-2023. Organizer of the Internal Seminar for the PhD school in Biomedical Sciences titled “Music and Brain”. University of Sassari, Sassari, Italy.

2023- now. Member of the Teaching staff of the PhD course in Biomedical Sciences, University of Sassari, Sassari, Italy

2023-now. Member of the Communication Board of the Department of Biomedical Sciences, University of Sassari, Sassari, Italy

### **REVIEWING ACTIVITIES:**

*Experience as Peer-Reviewer for the following international journals:*

- International Journal of Audiology
- Somatosensory and Motor Research
- Neurophysiologie clinique
- Frontiers in Human Neuroscience.
- The Journal of Neuroscience
- Frontiers in Neurology
- The Journal of Physiology

### **INVITED ORAL PRESENTATION:**

10/14-09-2024. Abnormalities in the face primary motor cortex in oromandibular dystonia. 33rd International Congress of Clinical Neurophysiology, Jakarta, Indonesia.

### **ORAL PRESENTATION:**

06/08-09-2023. Face emotional expressions: from perceptive to face primary motor cortex. 73rd SIF Congress. Pisa, Italia.

19/22-02-2023. Investigating the effects of paired somatosensory-cerebellar stimulation on sensory-motor cortex and cerebellar excitability. 5th Brain Stimulation conference. Lisboa, Portugal.

14/17-09-2022. Inhibitory and excitatory intracortical circuits function differently in face and hand primary motor cortex. 72nd SIF Congress, Bari, Italia.

07/09-09-2021. Cerebellar learning is modulated by the view of faces expressing sadness. 71st SIF Congress. On-line edition.

29/31-07-2021. Volition and emotional coordination of facial muscles. 14th YRP; Bertinoro, Italia.

### **MEMBERSHIPS OF SCIENTIFIC SOCIETIES**

2021 at now member of “*Italian Society of Physiology*”

2018 member of “*Society of Neuroscience*”

### **My publications (Scopus):**

Total number: 45

Total citation:707

H Index: 16
