Actions

Selection for 3 candidates for the following positions: DC7 - Decentralized control in distribution networks; DC8 - Advanced communication protocols in active distribution networks; DC9 - Digital twin prosumer-aware energy communities within the Horizon Europe MSCA Doctoral Network Project FITNESS (For active disTribution NETworks in Smart gridS). Call: <https://euraxess.ec.europa.eu/jobs/302952>

REPORT No. 4 – August 1, 2025

On August 1, 2025, at 13:30 CET, the Selection Committee for the recruitment of 1 candidate for the following position:

- DC9 - Digital twin prosumer-aware energy communities;

as part of the Horizon Europe MSCA Doctoral Network Project FITNESS (For active distribution NETworks in Smart gridS), meets remotely via Microsoft Teams.

The Committee, appointed by the Department Council on April 24, 2025, with resolution no. 115/2025, is composed of:

- Prof. Emilio Ghiani, Chair
- Prof. Marco Martalò, Secretary
- Prof. Virginia Pilloni, Member

The Committee proceeds with verifying the eligibility of the candidates for the position, as outlined in the call, by confirming their presence in the Microsoft Teams meeting, checking their passport, and registering their details.

Name Surname	Participation Y/N	Passaport no.
Navid Delfekar Baghbani	N	-
Muhammad Hussnain	N	-
Farhan Javed	N	-
Utpal Kant	N	-
Aftab Ahmad Khan	N	-
Anam Javaid Kiani	Y	BF4905711
Vijay Kumar	Y	BD4229843
Muhammad Suleman Malik	Y	ES0769252
Yibeltal Molla	N	-

Emmanuel Omale	N	-
Ioannis Poursanidis	N	-
Arsalan Rehmat	N	-
Muhammad Saleem	Y	MU5754021
Mojtaba Sedaghat	N	-
Amirreza Taherinia	N	-
Raihan Uddin	Y	A18373630
Abdullah Umar	N	-

The Committee then interviews the present candidates to assess whether they meet the conditions set out in the call and in the description of position DC9, based on the following evaluation criteria:

1) Preliminary knowledge and command of the project's topics	max 15 points
2) Clarity of presentation and synthesis skills	max 15 points

Following the interviews, the final ranking for position DC9 is as follows:

Name Surname	Criterion no. 1	Criterion no. 2	Total
